SEVERE WEATHER activation plan

The Adams County Severe Weather Activation Plan (SWAP) is a severe weather response pilot program in collaboration with Adams County Government, ACCESS Housing, and Almost Home. SWAP will assess and administer hotel/motel stays when the weather poses a threat to the well-being and/or lives of people sleeping or living outdoors during the winter months.

WHEN

SWAP will activate when conditions reach 32°F and below and wet, as well as 20°F and below and dry. Once conditions have been reached or are anticipated to be reached, SWAP will activate.

WHO

SWAP will serve people experiencing literal, unsheltered homelessness in Adams County, Colorado, prioritizing single adults, couples without children, and unaccompanied youth, families and people with pets.

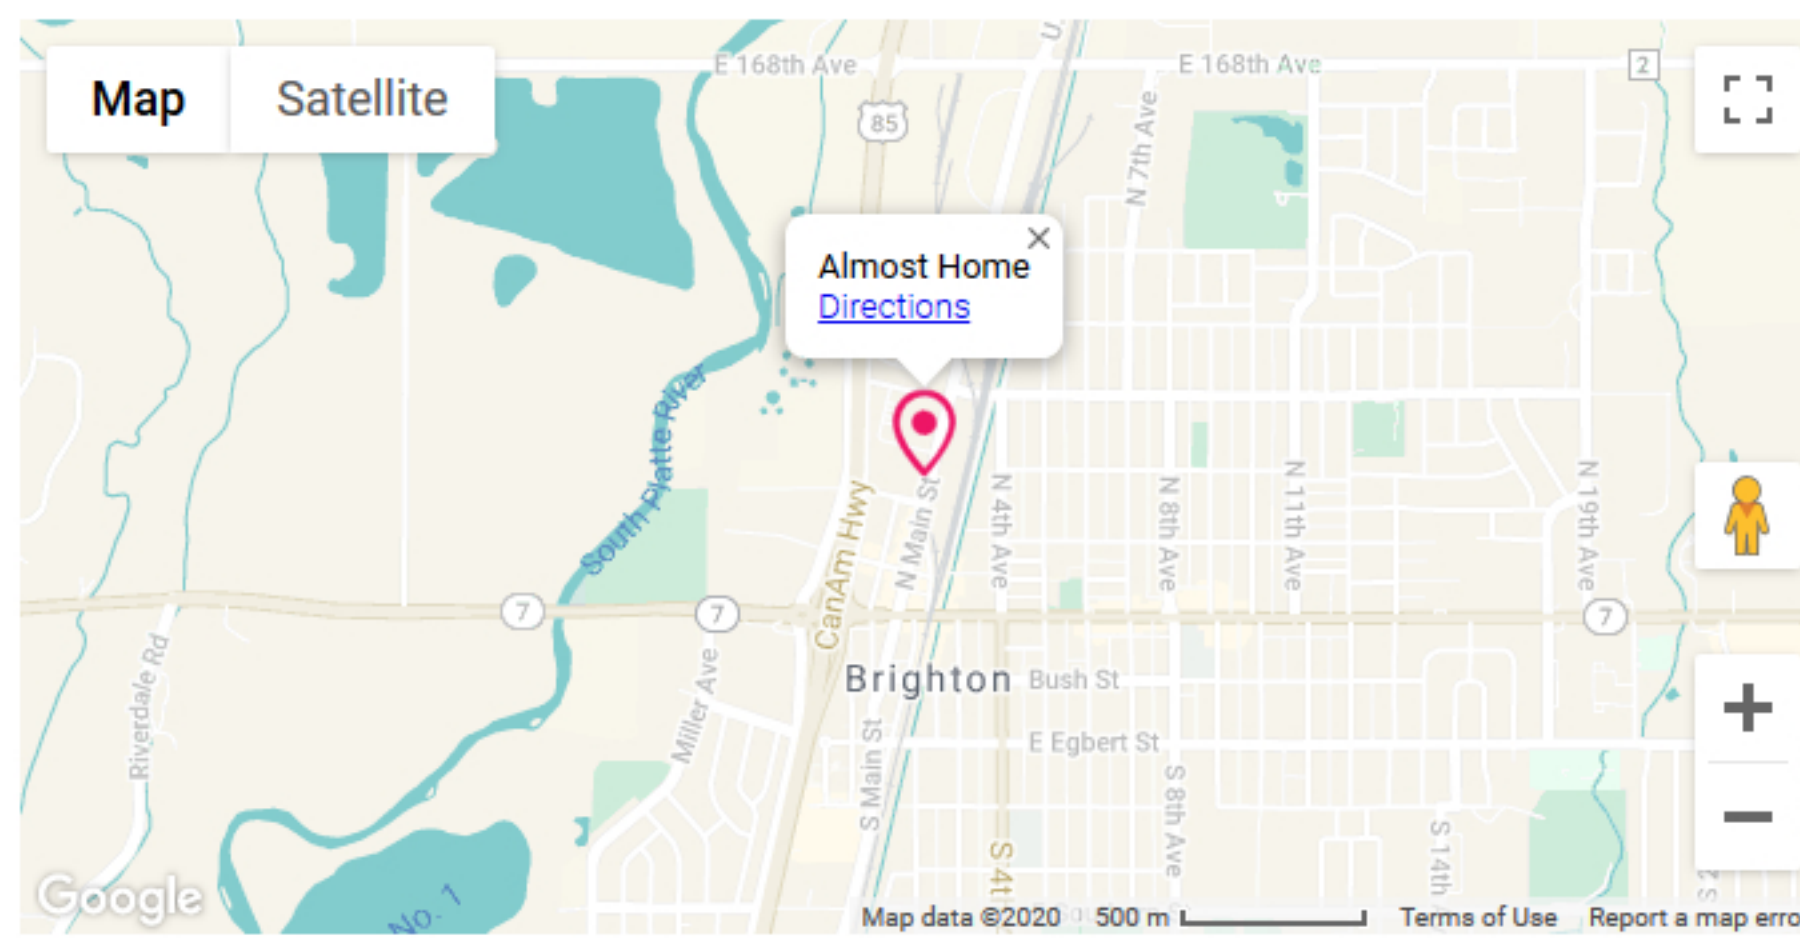

WHY

In the [2019 Point-In-Time Count](#), almost of one-third of people who were counted identified as unsheltered in Adams County (139 or 29% of the total count, total count = 483). Of the unsheltered, 94% were single adults without children. 72% shared that they have either a disabling condition, mental health, substance use, and/or a chronic health condition.

WHERE

When activated, office hours are from Noon-4:00 PM Monday-Friday

Almost Home - Community Room
231 N Main St., Brighton CO 80601

When inclement weather is projected over the weekend, people experiencing literal homelessness are encouraged to call **(720) 523-6646** for more instructions.

NOTIFY

There are three main methods community partners and folks experiencing homelessness will hear about the SWAP activation status:

EMAIL

Community partners will receive an email notification by 10:00 AM when SWAP is activated. To receive emails, enter your contact information below.

PHONE

Anyone and everyone can call into the SWAP phone line to learn about the status of SWAP. The SWAP phone line number is (720) 523-6646 and will be updated by 10:00 AM daily.

Point-in-Time (PIT) Count

The Point-in-Time (PIT) Count is a snapshot of [homelessness](#) on a single night that helps communities understand trends and the needs of those staying in sheltered and unsheltered situations across the region.

While helping to determine the scope of homelessness in our communities, the PIT raises public awareness, promotes collaboration across the seven county region, provides needed data, helps determine housing funds, and reminds us that Everyone Counts!
